CLOVER  
RESIDENCE

# Chaofah City Campus

Nestled in a central location for easy access from anywhere on the island, the purpose-built, state of the art campus spans 15 Rai, or 24,000 sqm, of beautiful Kathu landscape. All of the HeadStart facilities have been meticulously designed and constructed to provide a remarkable academic, artistic, and physical education experience.

# Cherngtalay Campus

Opened in August 2023, our new purpose-built campus in the north of the island currently offers our outstanding education programmes to children in the Foundation and Primary phases with capacity for 200 pupils. Set on 24 Rai, or 38,000 sqm, of beautiful mountainside landscape, our new campus offers the same quality academic, artistic and physical education experiences that have proven so successful at our Chaofah City Campus.

HeadStart emphasizes a comprehensive Physical Education and Sports program, led by professionals. It provides diverse activities for students to nurture their interest and skills in physical activity and sports as they advance through the school.

# The Arts

Art & Design and Music are available **from Foundation to Year 13**. Drama and Design and Technology is on offer in **KS3 and IGCSE**.

At HeadStart we offer a high-quality art and design education which engage, inspire and challenge pupils, equipping them with the knowledge and skills to experiment, invent and create their own works of art, craft and design.

As pupils progress from Foundation to Primary and Primary to Secondary, they are able to think critically and develop a more rigorous understanding of art and design. They also know how art and design both reflect and shape our history, and contribute to the culture, creativity and wealth of our nation.

# Language Options

At HeadStart, we have put an emphasis on building a language department which can provide first language courses for students **in Year 1 all the way through to Year 13.**

The HeadStart Language teachers have strong academic backgrounds and diverse experience in supporting language acquisition. Our teachers are **all native speakers** in the languages that they teach, and most of them speak more than two languages.

This broad provision for language options means that **85%** of our students are also able to study their native language at a first language level.

# Accreditation

## Cambridge International School Network

HeadStart has been a member of the Cambridge International Schools Network since 2011, providing students with recognized qualifications from the University of Cambridge, expanding their education and career options.

## ISQM - International School Quality Mark

The ISQM, or International School Quality Mark, is a respected accreditation agency for schools offering international curricula. It assures stakeholders of a school's quality and offers a path for improvement.

## Education Development Trust

HeadStart earned the Education Development Trust's International School Quality Mark in 2014, aligning with their commitment to excellence in education.

## EDT Bronze Accreditation in 2014

In 2014, HeadStart received the CfBT ISQM Bronze Award after passing a verification visit.

## EDT Silver Accreditation in 2017

In 2017, HeadStart achieved Silver Accreditation after a thorough inspection that rated the school 'good with outstanding features'.

## EDT Silver Accreditation in 2022

In 2022, HeadStart maintained its Silver Award status after another successful inspection, reaffirming its commitment to quality education.
