DESIGN TRENDS

PERFECTION IN SIMPLICITY

Japandi interiors with the Japanese philosophy of wabi-sabi, a way of life which values slow-living, contentment and simplicity, as well as the Scandinavian practice of hygge, which embraces comfort, coziness and wellbeing.

NATURAL FINISHES & MATERIALS

Select finishes, furniture and decor are made from the finest natural materials, including wood, stone and linen, proving an eco-friendly living experience.

AMPLITUDE OF SPACE AND AIR

Functionally planned space and interior design provide an airy, spacious feeling, enhancing the experience of calmness and relaxation.
