SOME PROJECTS OF CRCC

LUSAIL STADIUM FOR QATAR'S WORLD CUP, QATAR

China Railway Construction Corporation Limited (CRCC) has been picked as main contractor for Qatar's Lusail Stadium, where the final match of the 2022 FIFA World Cup will be held.

The Lusail Stadium, owned by the Qatar Football Association, is the biggest stadium in Qatar and one of eight stadiums being converted for the 2022 FIFA World Cup Qatar. It received a five-star rating on 16 August 2022, for its design and construction, from the GSAS. It can accommodate 88,966 people. The entire project is expected to cost \$767 million.
