Subject: Notification of the Resolution of the Expert Committee on Environmental
Impact Assessment for the
One Residence Lakeside Land Development Project in Phuket's Environmental
Protection Zone

To: Managing Director, **SLK Development Co., Ltd.**

References: 1.) Letter from OK Nature Co., Ltd., dated 28 February 2024

2.) Letter from OK Nature Co., Ltd., dated 29 April 2024

According to the referenced letters, you have submitted the preliminary environmental impact assessment (EIA) report for the One Residence Lakeside land development project, located in Choeng Thale Subdistrict, Thalang District, Phuket Province. The project is a land development consisting of 27 plots, covering an area of 11-3-72.5 rai and the report, prepared by OK Nature Co., Ltd., was submitted for consideration by the relevant authorities in Phuket.

Phuket Province has presented the aforementioned preliminary EIA report, along with supplementary documents as requested by the Office of Natural Resources and Environmental Policy and Planning (ONEP), to the Expert Committee on Environmental Impact Assessment for projects located in environmental protection zones in Phuket. This was discussed during the committee's 6/2024 meeting on Thursday, 2 May 2024. The Expert Committee resolved to approve the preliminary EIA report for the One Residence Lakeside land development project, with the condition that the project makes revisions in line with the committee's recommendations. These revisions must be submitted to the Secretariat for review before the final report is prepared. As the Secretariat, the Phuket Provincial Office of Natural Resources and Environment would like to notify you of the committee's resolution to approve the report. Additionally, you are requested to submit 8 sets of environmental protection and mitigation measures, as well as environmental impact monitoring measures, to the Secretariat by Monday, 27 May 2024. The Secretariat will then forward the documents to ONEP for further consideration and to inform the project owner of the results in accordance with the relevant procedures.

Please be informed and proceed accordingly.

Yours Sincerely,
