## DEVELOPER

The Zero Phuket offers a strong pipeline across prime island locations, setting a new benchmark in sustainable property development—combining British building standards with Thai excellence, resort-style amenities, and fully integrated in-house management.

Bringing over 25 years of experience from the UK with notable development projects in the most sought after areas in London.

## THE PROJECT

Silhouette by The Zero Phuket is just steps from the protected nature area on Phuket's west coast. The EIA-approved architecture draws inspiration from natural elements and coastal light while incorporating eco-conscious materials in a low-density community.
