A LOCATION STEEPED IN HISTORY AND SERENITY

Set within the prestigious Laguna Phuket community, Laguna Golf Residences Hibiscus enjoys an unparalleled location defined by nature, tranquillity, and convenience. Residents are perfectly positioned to enjoy the very best of Phuket, with the sparkling waters of Bang Tao Beach just a short drive away and award-winning dining, luxury spas, and the championship Laguna Golf Phuket course all within easy reach. Despite this proximity, Hibiscus offers a serene retreat, surrounded by lush greenery, overlooking tranquil landscaped gardens that evoke a sense of calm and exclusivity.

INSPIRED BY THE STRIKING CONTOURS OF THE PAST

The architecture of Laguna Golf Residences Hibiscus pays homage to the heritage of the land, drawing inspiration from the historic tin mines that once defined the area. The design features horizontal lines and soft, rounded contours, mirroring the industrial structures of the past while embracing a modern, organic aesthetic.

Comprising one, two and three-bedroom layouts, along with spacious two- and three-bedroom penthouses, the residences are thoughtfully arranged across five interconnected, finger-shaped low-rise buildings. This unique design maximizes panoramic views, ensuring every unit enjoys breathtaking sunsets and stunning vistas of the golf course and surrounding tropical landscape. Select ground-floor residences also feature private pools or lush garden spaces, adding an extra touch of luxury and privacy.

A natural palette of light wood, earth tones, and stone textures enhances the connection to the outdoors, creating a warm and inviting atmosphere. The lush landscaping celebrates Phuket's tropical beauty, with palm and coconut trees, serene gardens, and four free-form communal pools—complete with sundecks, alfresco BBQs, and stylish social areas—all adorned with traditional Thai blue mosaics, offering residents a lifestyle of refined relaxation.
